Directions to Mokoro
The Old Music Hall, 106-108 Cowley Road, Oxford, OX4 1JE

We can be found in The Old Music Hall, next door to G & D’s café on the Cowley Road. On arrival please buzz B43 then we can come and collect you from reception.

By Car
Leave the M40 at junction 8a if you’re coming from the north or junction 8 if coming from the south. Take A418 exit to Thame/ Aylesbury. Follow signs to Oxford/A40. At the London Rd. roundabout take the first exit onto the A4142 (Eastern Bypass Rd.) and follow it around until you reach the Cowley Junction exit. From here follow the signs to Cowley/B480 (3rd exit). This road will become Cowley Rd. on which we can be found on the left hand side just after Tesco metro (on the right) and Sainsbury’s Local (on the left).

Parking
There are several options for parking once you get to Oxford. Near to the office there is a small public car park at St Clements, one by Tesco and one on Union Street as well. Alternatively, it may be easier to use the park & ride at Thornhill.

By Rail
Walking from the station should take 25-30 minutes or you can take the number 5 bus (going to Blackbird Leys) which leaves from outside the train station and reaches Cowley in 10-15 minutes. The stop closest to our office is the first one after the St. Clements roundabout. Carry on up the Cowley Road in the same direction the bus goes and we are on the right hand side. There is also a taxi rank at the station.

By Bus
The Oxford Tube and X90 (both from London Victoria) take about 1 ½ hours to reach Oxford. Get off at the St. Clements stop where it’s a short walk to the office. Similarly, coach connections from Heathrow & Gatwick stop at the same stop (Airline buses). From the St Clements roundabout we are a few minutes’ walk up the Cowley Rd. on the right hand side, in The Old Music Hall. Look out for the building after the third road on your right by the bus stop and G&D’s cafe – you’ve gone too far if you reach Marston St.
